SUBJECT: von Willebrand factor: Collagen Binding Assay Service

Dear Customer(s),

On behalf of the Department of Haematology at LabPLUS, we would like to inform you that as of Friday 15 February 2019, the above test was moved to the TECHNOZYMR vWF:CBA ELISA platform.

The TECHNOZYMR vWF:CBA ELISA utilises an ELISA method as before and has achieved good correlation with well characterised quality assurance and standard samples.

Specimen collection requirements and reference intervals will remain unchanged.

Pricing also remains unchanged.

We apologise for the delay in notification.

If you require further information, please don't hesitate to email either:
